THE FIRST ASSALAM SCHOOL

Uniform Policy

Uniform policy at First Assalam school requires all children to wear school uniform when attending school or when participating in a school-organised event outside school hours.

We believe that the uniform plays a valuable role in contributing to the ethos of the school and sets the appropriate tone.

In developing this policy, the school has taken into account the cost and availability of these items as well as ensuring they are comfortable, practical and appropriate for students.

Aims:

- To promote a sense of pride in the school.
- To encourage a sense of community and belonging towards the School.
- To ensure the uniform is practical and smart.
- To help identify the children within the school.
- To prevent children from coming to school in fashion clothes that could be distracting.
- To ensure all children feel equal to their peers in terms of appearance.

General Points

A high standard of personal appearance is expected of all students. All staff within the school are responsible for setting a good example of dress to the students and reminding children of the uniform policy where necessary. Students arriving at school in non-uniform clothing will be warned verbally. The class teacher will send reminder notes in the homework diaries for repeated infractions and must report repeated incidents to the Class Coordinator.

First Assalam school provides one uniform set free of cost to each student only once at the time of admission.
